SIR THOMAS AT HOME.

QUEENSTOWN, October 26.—Sir
Thomas Lipton, who arrived here to-
day on board the White Star line
steamer Celtic from New York, said to
a representative of the Associated
Press that the report that the Sham-
rock II was for sale in New York was
quite untrue and he intended racing
her in American waters next season.
He reiterated his purpose to challenge
for the America's cup, and expressed
himself as being quite satisfied with
the manner in which the Shamrock II
had been sailed.

SOME SENTENCES GIVEN

JUDGE GEAR DISPOSES OF EIGHT
CASES.

Leaves for Hawaii on the Kinau—Ka-
mah Gets Ten Years at Hard Labor.
Peyser's Cases.

Eight criminal cases were disposed of
in a short time this morning in Judge
Gear's court. Judge Gear left at noon
on the Kinau for Hawaii, for a visit of
a few days with Sam Parker. He is ex-
pected back on Saturday. In the mean-
time Judge Humphreys is occupying the
only court room available for the circuit
court.

The three charges against Albert Pey-
ser resulted in two sentences being
passed upon him. In one case of a
charge of passing a forged check a
nolle prosequi was entered. Peyser
pleaded guilty of passing another forged
check and was given 10 days and \$10.
He also pleaded guilty of gross cheat.
Judge Gear sentenced him to pay a fine
of \$100, or be imprisoned at hard labor
for 200 days.

Kamalu, who was found guilty of
rape, was given a sentence of 10 years
at hard labor, and a fine of \$25.

Paleonapa, charged with larceny,
changed his mind this morning after
his trial was begun and pleaded guilty.
The trial commenced yesterday after-
noon before a jury, the defendant plead-
ing not guilty. Some evidence was
taken yesterday and it was to have
been continued this morning, but Pale-
onapa decided to withdraw his plea of
not guilty and plead guilty. He was
given a sentence of one year.

Two defendants, Joe Mendes and
George Kailuli, pleaded guilty to
charges of distilling liquor without hav-
ing licenses so to do. They were caught
in a raid by "chillingworth" some weeks
ago. Judge Gear did not want to sen-
tence Mendes on account of his extreme
old age. The defendant appeared to be
too feeble for prison life, and Deputy
Attorney General Cathcart agreed to a
suspension of sentence until the next
August term, at which time Mendes
will be still liable to sentence if he does
not mend his ways. George Kailuli
was given 9 months in jail.

In the case of Ting Cheok charged
with assault and battery, a nolle pro-
sequi was entered.

TEACHERS' BACK SALARIES

(Continued from page 2.)

of seeming to repeat I will try to ex-
plain somewhat further.

There was no new salary schedule
adopted at any time during the year
1899, neither before nor after the adop-
tion of the resolution of April 13th, nor
was there any change made in the
schedule during that year. There was
an amended schedule adopted during
the summer vacation of 1899, the new
rates taking effect on September first
of that year, but this had nothing
whatever to do with the salaries to
which any teachers were or became en-
titled during the year 1899, and could
not affect those salaries in any way.

The matter under consideration in-
volves no question of an old or a new
schedule; no question of any change of
schedule, or of when any particular
schedule went into operation.

The resolution of April 13th, 1899 was
neither a repeal of the schedule nor an
alteration or amendment of it in any
way; it was simply a temporary sus-
pension of its operation in certain cases
until such time as funds became avail-
able for squaring up the arrears.

This was the understanding and in-
tention of the Department at the time,
and the teachers concerned understood
the same. They were told that the De-
partment intended asking for and ex-
pected to get at the next legislative
session whatever funds were necessary
to remedy the temporary injustice and
the hardship arising therefrom.

The money is fairly due the parties
and they have been kept out of it for
nearly two years. The Department in-
tended and expected to pay them, and
so informed them. The money is now
available and this Department can see
no reason either legal, equitable or
financial, why there should be any hesi-
tation in allowing the claim.

Certain back pay was due certain
teachers from September, first 1899.
When during the following year the
supplemental appropriations made by
the Council of State became available,
they were paid the arrears from Janu-
ary first in that year. The allowing of
those claims by the Auditor and their
payment by the Treasury should be
taken as an admission that the claims
were legal and just. The arrears for
the last four months of 1899 would have
been paid but for a technical difficulty
explained in my letter to the Treasurer.
Both claims arose from the same state
of facts, both rest on exactly the same
basis both are equally valid and bind-
ing.

To reject these claims will be vir-
tually to rule that in making the former
payments of the same kind the Au-
ditor, the Treasurer and the Depart-
ment of Public Instruction combined in
getting money paid from the Treasury
to persons to whom it was not due. If
the other money was due them, if this
is not due the other was not, and the
Treasury has been wronged. From this
conclusion there is no logical escape.

Very respectfully,
(Signed) C. T. RODGERS,
Secretary.

THE TURK YIELDS.

PARIS, November 2.—The dispatch of
Admiral Caillaud's squadron from Tou-
lon to Turkish waters has already had
its effect. The French Foreign Office
today received a telegram from M.
Bapt, councillor of the French legation
at Constantinople, announcing that the
Sultan yesterday sent him a message
accepting all the French claims, includ-
ing the Lorendo claim.

The Porte also telegraphed to the
French Minister of Foreign Affairs, M.
Del Casse, informing him that the Lor-
endo claim had been settled and that
the Sultan had signed an irade accept-
ing the figure fixed by France for the
payment of the claim.

M. Del Casse proceeded to the Elysee
Palace and to the Ministry of the In-
terior and consulted with President
Loubet, the Premier, M. Waldeck-Rou-
seau, and the Minister of Marine, M.
de Lamourette. He afterward had an
other conference with M. Waldeck-
Rousseau. It is said the French govern-
ment also demands an understanding
that Turkey will not renew the recent
interference with the diplomatic mail
bags.

LONDON, November 2.—A dispatch
to a news agency from Rome says that
the second division of the Italian Me-
diterranean squadron has started for
Turkey, and that the object, it is said,

is to counterbalance the French naval
demonstrations.

WANTS A REPARATION.

Mrs. E. Fybosson, by her attorney A.
O. Corcoran, today filed a suit for a re-
paration from her husband, O. H. Fy-
bosson, charging him with extreme
cruelty and failure to provide. She de-
clares that her husband is employed on
Oahu plantation and has an income of
over \$120 per month.

THE KING HEIRS.

Judge Gear this morning partially
heard the matter of the citation against
J. O. Lightfoot, guardian of the J. A.
King minors, for contempt of court in
not complying with an order of court
directing him to increase the allow-
ance of the minors, execute a lease for
some of the property and pay over the
amount due to one of the sons now in
South Africa.

RAPID TRANSIT CASE.

The matter of the injunction asked
by the Rapid Transit company against the
Rapid Transit company was before
Judge Eatee this morning.

CHINESE FANCY WORK SALE.
Arrangements are in progress for the
sale of Chinese fancy work, etc., which
is to take place in the school rooms of
St. Andrew's Cathedral on next Satur-
day afternoon. The proceeds will be
devoted to the support of the St. An-
drew's Chinese Mission of the Anglican
church.

THE GREENS WERE RED EYED.

Mr. and Mrs. George Green were be-
fore Judge Wilcox this morning to an-
swer to charges of having disturbed
the peace and quiet of the night. The
case of the woman was nolle prossed.
She had been out on bail but her hus-
band, evidently, did not control the do-
mestic purse strings and had to lan-
guish in jail. Mrs. Green proved true
to her hubby on the present occasion
however, for, after receiving her bail
money, she promptly returned it to the
police, in order that her husband could
be released. The case against Green
will be heard tomorrow.

PALLBEARERS ORGANIZE.

CHICAGO, November 1.—The latest
labor organization is the Pallbearers'
Union formed by about sixty men who
gain a livelihood in the service of un-
dertakers. The new union will estab-
lish a minimum scale of wages and pre-
scribe other regulations which its mem-
bers hope to enforce. The Undertakers'
Association is said to look upon the new
organization with favor.

Theodore Mackmann and Anthony
Applegate came from Washington, D.
C., to organize the union, and it is said
they will apply to the American Federa-
tion of Labor for charters for the Chi-
cago lodge and another in Washington.

PACIFIC CABLE.

WASHINGTON, October 30.—Chief
Greely, chief signal officer, in his an-
nual report says the signal corps
should be increased to meet present de-
mands.

There have been constructed 226 miles
of telegraph line in Alaska, and ar-
rangements have been made with the
Canadian government to use its line to
Alaska.

The operations of the corps in the
Philippines have been very extensive,
there having been 4,351 miles of tele-
graph line, an increase of 2,654 during
the year.

Gen. Greely, in recommending the
Pacific cable, says:
"The experiences of the war depart-
ment in connection with the relief of
the legation at Peking show clearly the
tremendous disadvantage under which
the United States would labor without
its own cable facilities in case of an ex-
tended war in the East."

"An eastern transpacific cable is a
military and commercial necessity if
American interests are to be safeguarded
in Asiatic regions. Such a cable,
while of great value militarily, will es-
pecially further industrial interests and
facilitate commercial operations."

RAT QUESTION POSTPONED.

The meeting of the Federal officials
and local shipping representatives
which was arranged for 9:30 this morn-
ing in the hall over Castle & Cooke's
offices was adjourned shortly after the
meeting began as this was a busy time
of day for all concerned and the dis-
cussion was liable to be somewhat
lengthy. Tomorrow morning was ap-
pointed for the postponed conference
after the mails have been disposed of.

ORDERED TO COLONY.

WASHINGTON, November 2.—The
Navy Department has ordered the gun-
boat Marietta, at Portsmouth, N. H.,
to Colon to relieve the gunboat Machi-
as, which has been watching over af-
fairs at that point for some months
past.

A SPANISH SENSATION.

MADRID, November 1.—The name of
"Sackville" is figuring in strange in-
vestigations which are occupying the
attention of the courts. A local lawyer
has applied to the court to recognize
the legitimacy of a client, who claims to
be the son of a certain "Lord Sack-
ville, Secretary of Legation at Madrid
about the year 1854." The claimant al-
leges that the diplomatist married a
well-known Spanish dancer, Pepita
Duran, and had three daughters and a
son by the marriage. But the mar-
riage register was subsequently tam-
pered with and the name of Pepita Du-
ran's dancing master was substituted
for the original entry. The examining
magistrate appointed two experts to ex-
amine the register, and the experts have
confirmed the statement that the origi-
nal name of the husband, whatever it
was, had been scratched out and that
the name of Oliva had been substituted.

LONDON, November 1.—In connec-
tion with the Madrid dispatch referring
to "Lord Sackville," it is pointed out
that the present Lord Sackville, the
former Minister of Great Britain at
Washington, although he was in the
diplomatic service prior to 1853, was not
attached to the British Legation at Ma-
drid until eleven years after that date.
Moreover, he did not succeed to the
title until 1855.

GET ACQUAINTED.

The more people you know the
greater your chance of finding
useful friends among them. It is
silly to say you do not care what
others do or think about you, for
you may want help or advice any
day. The same principle obtains
as to labor-saving conveniences.
It is much better to get a light
by pressing a button at your bed-
side than to rise, strike a match
and set the gas going. The more
things you know how to do, the
more thoroughly safe-guarded
you are in emergencies and times
of trouble. It is ignorance along
these lines which induces loss
of time, money and health. "Oh,
if I had only known of it in
time," is the sad, deploring cry
of multitudes who find themselves
in the grasp of some disease from
which a certain remedy might
have delivered them. Now, in-
formation comes through the eye
and ear. It is reasonable there-
fore to suppose that what we
are now going to tell you about
WAMPOLE'S PREPARATION

may be the most valuable intelli-
gence printed in this newspaper.
It is palatable as honey and con-
tains the nutritive and curative
properties of Pure Cod Liver Oil,
extracted by us from fresh cod
livers, combined with the Com-
pound Syrup of Hypophosphites,
Malt and Wild Cherry. It has
no equal for the use of Invalids
and Consumptives. In all cases
of Fevers, Anemia, Nervous De-
bility, Rheumatism, Influenza,
Weakness, etc., it may be implic-
itly depended on. Progressive
physicians endorse and prescribe
it. Thin and wasted patients
quickly gain new health and
strength. One sufferer gained
twelve pounds in weight from a
single bottle. If you need it now
take it now. If not, get acquaint-
ed with it and know what to do
when occasion arises. One bottle
convinces. Effective from the
first dose. "Never disappoints."
Sold by chemists everywhere.

THE PLAY TONIGHT.

This evening the play that will be
given by Mr. Neill and the Neill Com-
pany will be Augustin Daly's famous
comedy, "The Lottery of Love."
It was one of the most acceptable
successes in San Francisco during Mr.
Neill's late engagement there of twenty
weeks and has been most successfully
presented by the organization in many
cities upon many occasions. There are
many highly amusing complications in
the interesting plot and all indications
point to the fact that a full house will
witness the performance this evening.
The performance will commence
promptly at eight o'clock.

TOOK HER SILVER VOICE ALONG.
We learn from the Fond du Lac Com-
monwealth that "Miss Golden Wells
went to Janesville Tuesday to give
music lessons." Texas has her oil wells
but Janesville is one ahead.
